

BUILDING *for* LIFE

BUILDING *for* LIFE

CONSTRUCTION UPDATE

PHOTO TAKEN NOVEMBER 15, 2011

PHOTO TAKEN NOVEMBER 15, 2011

Our capital campaign, BUILDING *for* LIFE, is moving forward and construction has begun. As the year progresses, we will keep you updated on our new buildings: the Youth and Young Adult Facility, the Scout Hall, and *The Hope and Healing Center*.

We will keep you informed about what is going on “behind the construction fence” on the East Lawn.

Early on in 2012 we will start to see things coming out of the ground. The slabs will begin to be poured, the steel for the framing of the building will begin to arrive, and we should see the building outline, as well as the beginning of the parking lot.

February look ahead: The main focus will be the steel erection for the building.

We encourage all parishioners to contribute to this important chapter in St. Martin’s history. If you have not yet pledged to our capital campaign, BUILDING *for* LIFE, it is not too late. Pledge cards can be found in the pew racks. To have a pledge card mailed to your home, please contact Brittney Jacobson at 713/985-3821 or bjacobson@stmartinsepiscopal.org.

DID YOU KNOW?

ELECTRICAL FACTS:

- Total footage of (all) wire = 240,800
