

Did you know?

From Holy Monday (April 6) through Easter Day (April 12) a total of 5,311 parishioners and visitors worshiped with us at St. Martin's.

Sunday of the Passion: Palm Sunday (April 5) was an exciting and historic day for St. Martin's Episcopal Church. Adults and youth enjoyed Palm Sunday Fellowship with middle-eastern fare (dates, nuts and pita bread).

Both the Family Table and 6ten worship services moved to the Old Church, bringing to life this underutilized worship space. More than 425 worshipers attended the Family Table service, which allows children to experience the Word of God on their own level (see pictures below and at bottom of this page). The 6ten service is enjoying the benefits of better accoustics and aesthetics, and we look forward to increased attendance at this contemporary service.

Above left, the Saintly Stitchers sold needlepoint creations, including some fantastic Fabergé eggs. Proceeds from the sale benefited this ministry group.

The rest of the pictures on this page were taken after the Family Table worship service. Children enjoyed the live donkeys, and all in attendance were equally fascinated by the trailer that brought the donkeys (see bottom left). Children also had the opportunity to make palm crosses, select Easter egg dye kits in a variety of colors and designs, have books autographed by author Adele Bibb Colvin, and make donations towards the purchase of Bibles for children in Tanzania.

Photographs have been digitally altered to obscure name badges on children.
