Already have a KidCheck account, but don't know your login credentials?

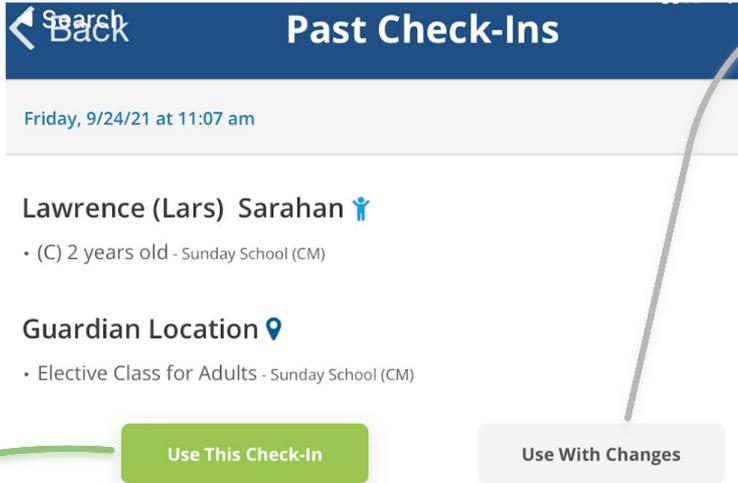

Ask a staff member or volunteer for help, we can get you logged in!

Follow these steps to check-in from anywhere on or off-campus

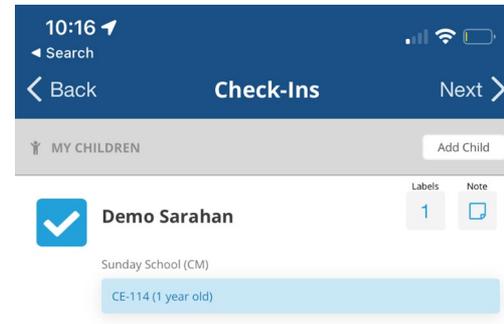

Return to the app later to print when in range of the Children's Life Center KidCheck printers!

KidCheck Guardian Phone App: Using "Repeat a Past Check-In"

Tap "Use With Changes" to:
Select child(ren) for check-in | Add to "My Children"

Use This Check-In

Use With Changes

Tap "Use This Check-In" if there are no changes

Continue to next slide

Check-in from anywhere > Leave app > Return to print when in range of the Children's Life Center KidCheck Printers!

Complete check-in > Leave app/Close phone > Once within range of the bluetooth KidCheck printers > Open KidCheck app > Tap "St. Martin's..." > Tap Submit Check-In > Tap to Select a Printer > Pick-Up labels from listed printer

The image displays a sequence of four mobile app screenshots illustrating the check-in process:

- Ready to Check-In:** The user is on the 'Ready to Check-In' screen. The 'Express Check-In' option is selected. A button at the bottom says 'Searching for KidCheck Express Stations...'. A pink arrow points from this button to the next screenshot.
- Express Check-In:** The user is on the 'Express Check-In' screen. It displays instructions: 'Start a check-in at your convenience! When you arrive at the organization, you'll be able to submit your check-in and print labels.' A green 'Submit Check-In' button is visible. A red circle highlights the location selection area, which shows 'Complete your check-in for:' and a button for 'St. Martin's Episcopal Church'. A pink arrow points from this area to the next screenshot.
- Ready to Check-In (Stations Detected):** The user is back on the 'Ready to Check-In' screen. It shows 'KidCheck Express Stations Detected:' with a list of printers: 'PHONE: Express Check-In PrintHub', 'RED - Phone Pri...ildren's Ministry', and 'PURPLE - Phone...ildren's Ministry'. A 'Select Printer' button is present. A pink arrow points from the printer list to the next screenshot.
- Ready to Check-In (Successful):** The user is on the 'Ready to Check-In' screen. It displays 'Check-In Successful!' and a 'Done' button. A pink arrow points from the printer selection area to this final screen.
